

The Western Riverina Art's 2023 ROR Residency

Western Riverina Arts (WRA) and Rooms of Requirement (ROR Space) have partnered to offer a six-week residency during 2023 for one (1) creative practitioner in Australia. The residency is valued at \$2,000.

This residency will support an artist to work on their self-determined goals in a creative co-working space in the heart of Griffith, NSW on Wiradjuri Country.

Artists looking to establish their first public studio space or pop-up shop with walk through traffic are strongly encouraged to apply. The recipient will be surrounded by like-minded creatives and have opportunities for collaboration. All creative disciplines that can be undertaken in a small studio environment are eligible to apply. *(Please note the residency offers a fully subsidised studio space and in-kind support only).*

The aims of this residency are to encourage networking and develop career pathways for artists by offering new opportunities and the space to create.

Residency Features & Benefits

- Use of a private studio room (4mx3.3m) at ROR Space
- Opportunity to hold a fully supported exhibition or artist talk at ROR Space at a later date
- Daily ROR Space access between 7am and 8pm
